Update on Fire Accident at Sigachi Industries Ltd's Pashamylaram Facility, Telangana

Hyderabad, July 6, 2025: Sigachi Industries is saddened to share the loss of two more team members since July 4, 2025, taking the death toll to 42. Of the 33 injured team members, 14 have now recovered and been discharged from the hospital, while 18 continue to be under medical attention in various hospitals in the City. Eight team members are still missing. Of the 143 members present on-site during the time of the accident, 61 are safe.

Setup in 1989, Sigachi Industries' Pashamylaram plant has been incident-free for 36 years. It is an ISO 45001:2018 certified facility and follows stringent safety and compliance measures. Since the time of the accident, we have been coordinating the emergency response, family support, and extending cooperation with the investigation and compliance efforts.

We will continue to update on this matter as and when we have further details available.
